Well Living – Wellness Program

Description

This program is designed to provide pertinent and reliable information to improve one’s overall health status. It is well known that early intervention in diseases such as cancer, diabetes, and heart disease can significantly improve health and lower health care costs. Many of the most costly and deadly illnesses known today are either preventable through education and life-style change, or curable with early detection.

Primary Prevention *Well Living*:

*Provides wellness guidelines for all employees and their dependents. These guidelines are customized for age and gender and include a recommended schedule of preventive visits, blood tests (e.g. cholesterol level) and immunizations.

Flexible Spending Account

A Flexible Spending Account (FSA) is a tax-advantaged financial account. An FSA allows you to set aside a portion of your earnings to pay for qualified medical, dental, vision, and childcare expenses. Money deducted from your pay into an FSA is not subject to payroll taxes, resulting in a substantial payroll tax savings. Employees may participate even if he/she chooses not to enroll in the University’s medical plan.

New employees are eligible to participate upon hire. Plan year runs from January 1 – December 31. Tiffin University has two types of FSAs.

1. Full FSA (Flexible Spending Account) The maximum annual contribution is \$2,500.
2. Limited Purpose FSA (Flexible Spending Account) – *can be elected if used with Medical Insurance plan Option 1 only. This account can only be used for vision and dental expenses.*

You designate a specific dollar amount to be deducted from your pay each pay period during the year. This money will be used to pay medical expenses not covered by the health policy, i.e. deductibles, out-of-pocket expenses, vision expenses and dental expenses. Two major benefits to this program are (1) deductions are pre-tax and (2) the amount you designate for the year is available immediately. However, if you do not use up the all the annual contribution amount by year end, you lose the money. All claims within the plan year must be submitted for reimbursement by March 15 of the next year.

Life Insurance

Tiffin University offers life insurance as an important vehicle for providing financial protection for family and loved ones to help manage expenses in the face of loss. We offer Basic Group Life Insurance and Supplemental Life Insurance for those who wish to purchase added protection. Details are as follows:

One year waiting period waived for existing TIAA-CREF accounts. Minimum age to participate is 21.

These flexible retirement and savings programs will help you meet your retirement objectives and ensure diversified portfolio construction by helping you choose from a variety of TIAA-CREF variable annuities and mutual funds. Advantages of participation to the employee include:

- Reduce taxable income through pre-tax contributions
- Tax deferred earnings on plan contributions
- Automatic vesting

Time Away From Work

At Tiffin University, we understand the importance of work-life balance and the need to take care of the general well being of you and your family. The following different types of time away from work are “Annual Leave”, “Sick Leave” and “Holiday Time Off”. The parameters of each policy are as follows.

Annual Leave

Annual leave is to be used for vacations, family medical leave, or other personal business. Eligible staff members earn annual leave effective on the beginning date of employment. Faculty members do not earn annual leave.

Years of Service	Credited Monthly	Earned Annually
Less than two years	6.67 hours	80 hours
Two to five years	10.00 hours	120 hours
More than five years	13.34 hours	160 hours

Sick Leave

Staff members earn sick leave beginning on the date of initial employment. Faculty members do not earn sick leave.

Sick leave may be used for personal illness, doctor’s appointments, and up to four days for each incident of illness in the family, as defined by the Family Medical Leave Act. The sole purpose of sick leave is to provide continued income during periods of illness. All employees are urged to accumulate as much sick leave as possible in case a major illness should occur.

Staff members whose positions are defined as requiring 2,080 work hours in any 12-month period earn sick leave at the rate of 6.67 hours per month of employment. Sick leave will be pro-rated for any staff member whose position is defined as requiring 1,560 or more work hours but less than 2,080 in a 12-month period. Leave earned is credited to the employee’s account and reported to each employee on a monthly basis.

Holiday Time Off

Employees are given 10 paid holidays that include New Years Day; Spring Break (1 day); Memorial Day; Independence Day; Labor Day; Fall Break in October (2 days); Thanksgiving Day & the Friday after; Christmas Day & the work days between Christmas & New Year’s Day.

Tuition Reimbursement Program

Because Tiffin University employees are encouraged to continually learn and improve in their profession and in overall knowledge, employees, their spouses and dependent children may take undergraduate classes at no cost. Graduate programs at Tiffin University are available at no cost to the employee only. Employees may enroll in graduate programs at other educational institutions and receive at least 50% reimbursement. Employee attendance at workshops and seminars are fully reimbursed.

Employee Assistance Program (EAP)

Tiffin University is interested in the physical and emotional health of its employees. People are our most valuable resource. While all of us would like to have perfect health at all times, physical, mental, emotional or financial problems enter many of our lives and often have a direct effect on our emotional well being and job performance. Our Employee Assistance Program (EAP) has been initiated to give employees and immediate family members a resource to turn in times of personal need.

The Employee Assistance Program is designed to provide professional help on a completely confidential basis. Tiffin University has contracted with Summit Employee Assistance Program. Some services include but are not limited to:

Marital/relationship conflict	Depression & anxiety
Alcohol or drug abuse	Grief stemming from loss
Stress	Financial pressures
Worries about elderly parents	Parenting challenges
